## FOREWORD

Hopes Auction Co Ltd would like to thank Messrs Pitts, Stockbridge Farm, for instructing us to conduct their Dispersal Sale of Aberdeen Angus Cows with Calves at Foot and In Calf Cows.

We would like to thank all buyers for attending the sale.

Due to Family Circumstances the Pitts Family are having to disperse their fantastic herd of Aberdeen Angus Cow and Calves. The majority of the Cows are homebred, twice crossed Aberdeen Angus and calf predominately in April and May. A number are autumn calvers and are sold scanned in calf.

All Calves are Sired by Pedigree Aberdeen Angus Bulls

The Herd is BVD tested.

TB Tested

Cubicle Housed

All animals are sold under the Rules of the LAA as displayed in the Mart (revised in Dec 2017)

**TB** - All cattle (including OTM Cows) consigned from farms from a 1- or 2-year testing interval, aged 42 days and over, must be TB tested within 60 days prior to movement to this sale and a copy of the test results handed to Auction Mart Staff when the cattle are numbered.

**Please note** – There is section for OTM Cattle which have not been tested – Cattle for this section must be unloaded at the designated dock and will be penned separately at the mart. They will have a Red Mark sprayed on their head and will be offered for sale at the end of the OTM section. They will have to go either to slaughter or for further feeding at an approved finishing unit.

**VENDORS** – If you have more than one load of cattle, please ensure all the paperwork is sent with the first load.

**FARM ASSURANCE** - Farm Assurance is shown on the catalogue as FA and on the Sale Ring Board as F for Farm Assured and N for Non-Farm Assured.
